## ***Message from Superintendent, Marjie McAnally***

Greetings Romulus Community Schools Family,

On behalf of Romulus Board of Education, I am so pleased to welcome your children to Romulus Community Schools for the 2017-2018 school year. Staff members are busy preparing classrooms and buildings to make sure that they are ready to go on the first day of school! Our first day of school is September 5<sup>th</sup> and it will be a half day of school. We are looking forward to an exciting school year filled with great learning opportunities for our students. One of our primary goals this year is to strengthen our communication and building stronger partnerships that we have with our parents, families, and community as together we help our students achieve high academic standards. Ensuring that our children receive the quality education needed to be successful in today's world drives the decisions we make every day. We also want our students not only to grow intellectually, but also socially, emotionally, and physically as they develop the skills needed to be leaders today and in the future.

Many great opportunities are provided for your children at Romulus Community Schools. We want to celebrate the expansion of several of our outstanding programs. The Early College Program allows students to earn a high school diploma while also earning their associate's degree. Career Tech Education for Marketing and Business program has just received a \$150,000 grant makeover providing students with a state of the art business classroom. Romulus Virtual Learning Center School has been operating for the past two years providing students with a nontraditional education. Romulus continues to expand the Elementary and Middle School Accelerated Curriculum and Enrichment Program for our gifted and talented students. This program makes the perfect transition into the Early College program at the high school level. Romulus also offers a vast number of interscholastic and extracurricular sports for our students and many have competed at the state level. We are planning additional enriching activities for our students that will be implemented throughout the school year.

We continue to partner with the City of Romulus in offering extended programs to the students of Romulus Community Schools. The Recreation Department provides a wide variety of activities for our elementary students. Also, the City's Library has programs offering a vast array of programs and activities throughout the year to help cultivate a strong love of reading and literature in children. Visit the city's calendar for events and activities at <http://romulusgov.com/calendar.php>

We look forward to helping all of our families become secure in our vision to ensure that we have "High expectations and high achievement for all of our students...every day!" Our commitment to excellence is as strong as ever. We are asking you to be our involved partner as we begin this new school year.

Attached you will find a copy of the Romulus Community Schools bus routes and 2017-2018 Calendar. Please do not hesitate to give us a call with questions and ideas. Again, WELCOME!!! Let's have a great year!

Yours in service to children,

Superintendent,

*Marjie McAnally*
